

Unit II: Engineering the City
Evaluation Stage
Part 2: Team Work Reflections

Table	
City Name	

Team Members Names:

1.
2.
3.
4.

Answer the following questions on separate paper. You do not have to write the questions, but I want you to use **complete sentences** to develop a full response with **concrete examples**.

1. Make a **list of simple sentences with action verbs** that generally describe the actions of a **responsible valued** team player.
 - a. Example:
 - i. He/She shares ideas.
2. Make a **list of simple sentences with action verbs** that generally describe the actions of an **irresponsible or difficult** team member.
 - a. Example:
 - i. He/She argues.
3. Which member of your team did you know the best before you started working together?
4. Which member of the team did you know the least before you started working together?
5. Choose any member of the team (other than yourself) and describe a time when that person was working at his/her **personal best** as a member of the team.
 - a. What was going on?
 - b. What was that person doing that strikes you as significant?
6. Recall a time when you were working at **your own personal best** as a team member. Describe the scene.
 - a. What was going on?
 - b. What were you doing that stands out as significant?
7. Recall a time when things were not working out. Describe how you and your team members handled the situation.

8. Describe one memorable moment or event in the group process that you have not already shared.

9. Rank your team and give supporting evidence.

How would I rank my team **as a whole**?

Fabulous	Pretty Darn Good	Okay	Not so Good	Terrible
5	4	3	2	1

Provide give supporting evidence for your rank.

10. Rank yours efforts as a team member

How would I rank **my own efforts** as a member of the team?

Fabulous	Pretty Darn Good	Okay	Not so Good	Terrible
5	4	3	2	1

Provide give supporting evidence for your rank.
